Do you struggle with colour? Find it a bit puzzling? Warm, Cool, Tone, Value, Hue? Ever thought that you might like to explore colour possibilities further?

This workshop focuses on using a limited palette, using your preferred medium either in acrylic or oil colours, to take the mystery out of colour mixing. Peta will show you how to methodically produce colour charts and colour wheels to expand your knowledge of the possibilities and range of colour that can be produced and how they behave for studio work, or for venturing into the outdoors.

Interested but dates/times doesn't suit, let us know and we may be able to schedule another session if there is enough interest!
